Class Registers

Ayr County Council Education Committee Class Registers. Will become Strathclyde Regional Council c 1975, although records themselves are only marked Strathclyde Department of Education from 1989/90. Gives name of teacher for class, plus names and details of pupils. Similar to Admissions Registers above, so records name of parent/guardian and address, but then goes on to record daily attendance. Records kept as Admissions Registers for these dates do not exist. Name of school given as Barr Public, Barr School and Barr Primary School; all assumed to be same school.

Barr Youth Club

It appears that the Youth Club operated as an evening activity within the school, and is referred to as an evening class. Ayr County Council are consulted regarding travel expenses, but it cannot be confirmed that the youth club was established or organised by the Council. The signatory of the weekly log appears to be youth members themselves. As the records came with the school records, they have been listed as part of the school collection
