These booklets were intended to be bought by or given to visitors, and set out the various classes being judged and the prize money available. They feature advertisements from local businesses in West Kilbride. The covers are beautifully designed, and occasionally feature the winning design selected from a competition held for local school children.

**AA/DC85/3/2/1****Annual Show**

The annual show was held every August, and from 1993 was renamed the summer show
